

POSITIONS

ACWADAM is recruiting for the following positions:

Researchers: Post-graduate in geology / geography / environmental sciences with 3 to 5 years' experience. Fresh postgraduates will also be considered in the above disciplines with some experience and aptitude to work on groundwater-related issues.

Scientists: Post-graduate in geology / geography / environmental sciences with 8 to 12 years' experience.

Both the positions will be contract positions for 3 years, with the possibility of longer-term employment with ACWADAM, subject to performance and project development. Working in the field will be mandated with possibilities of fieldwork across India and possibly also in other regions of the sub-continent.

Advanced Center for Water Resources Development And Management (ACWADAM) works on the science of groundwater management in different regions of India. For details, please visit our website: www.acwadam.org

Send your resumes at: admin@acwadam.org within 7 days from date of advertisement.
